Re: Yellow Cab of Milwaukee, Inc.

Dear Mr. Copeland:

Please be advised that this office represents the above-referenced cab company regarding its request for a body color designation pursuant to MCO § 100-51-7-a. Presently the company has a request for the designation of the body color "white" pending before the Utilities & Licenses Committee. In consideration of the opinion of the Office of the City Attorney dated July 14, 2003, regarding the pending request, Yellow Cab of Milwaukee, Inc. hereby amends its request to a request for the designation of the body color "purple."

It is understood that this color has not been designated for any cab company pursuant to MCO § 100-51-7-a. Therefore, it is requested respectfully that the amended request be considered by the Utilities & Licenses Committee is sufficient time for the Common Council to approve the request this month. It would be of benefit to the City of Milwaukee to have Yellow Cab of Milwaukee, Inc. operational with the body color purple for Harley Fest.

Thank you for your attention to this matter.

Sincerely,

Michael A.I. Whitcomb
