Dear City of Milwaukee Attorney - ie MR. Grant Langley -

Sir, I draw your attention to a certified letter sent jointly today to MS Kathleen Houston, the City Librarian and MS Zenke Head of Personnel there regarding the above incident. I will see the Clerk for the City of Milwaukee today regarding asking 1000 million dollars for this incident.

You see this abuse of me is cumulative and it seems the only thing that MAY stop it is large financial payouts in damages.

Sincerely,
Mary Raspel Ferrel-Rust
